

# PH510.2

| TECHNICAL DATA                      | PH510.2         |
|-------------------------------------|-----------------|
| Lifting capacity                    | 48kNm           |
| Max. lifting height from crane base | 5000mm          |
| Max. working slope                  | 5°              |
| Max. working pressure               | 230bar          |
| Suggested oil flow                  | 15-18l per min. |
| Hydraulic oil tank capacity         | 30l             |

| CRANE WEIGHTS                                  | kg      |
|------------------------------------------------|---------|
| PH510.2                                        | 465     |
| 3300mm base weight with extendable stabilisers | 240-270 |
| 4400mm base weight with extendable stabilisers | 305-345 |

| DIMENSIONS |      |      |      |     |      |
|------------|------|------|------|-----|------|
| CRANE      | A    | B1   | B2   | C   | D    |
| PH 510.2   | 1830 | 1380 | 1395 | 445 | 1565 |

Hydraulic extension    Standard manual extension    B/C/D Optional manual extension    \* "D" version
